

COVID-19 RE-OPENING STATUS as of 6/5/2020:

THANK YOU for checking The Picture Framer of Topsham website.

WE ARE OPEN and are performing design / sales work in the Shop as well as via phone, email, text, and if needed, "Face Time".

For design/sales work in our shop, we are making appointments which allow for the customer (plus one "live in" relative or friend) to come in and work with the designer "alone" in our design area. Please call ahead to schedule an appointment and provide some up front project information to enable us to make the best use of our time together!

If you prefer not to schedule an appointment, you can still stop by any time and check to see if we have an opening in our schedule at that time. If so, you are welcome to come in and spend as much time as you would like discussing/designing your project - up until our next scheduled appointment shows up. At that time, we would ask you to schedule a return trip if there is more to discuss.

Thanks and we hope to hear from you soon!
